FREE 30 MINUTE SESSION!

Learning in a group format allows for multiple voices and offers additional richness and learning opportunities. While I will lead each session and insure all are heard, we will

Having a strong foundation in psychoanalytic theory; object relations, self-psychology, drive theory and ego psychology is invaluable in assessing and developing a treatment plan and therapeutic frame with clients. As well, skills and training about trauma, trauma-related stress symptoms and effective approaches for healing and change are essential tools for the successful clinician's tool box.

follow the needs, client cases, questions, etc. brought by each participant.

**Led by Ricki L. Geiger, LCSW, CGP, CRC; www.RickiGeiger.com
rgeiger2@gmail.com, 919-929-8559, 919-265-9005 (text/cell)**
